

Small group is...

...where you find encouragement, support, community, and inspired fellowship.

Small group is...

...where you learn about Christ and align your life to His teachings.

Small group is...

...where you develop and grow in your relationship with Christ and those around you.

The purpose of our small groups is to create an environment for spiritual growth.

Spiritual growth happens in relationships.

We grow in our relationship with Christ.

We grow in our relationships with each other.

Spiritual growth is a journey.

It's continuous.

It's a discovery.

It's a constant alignment.

Along the way, we learn to serve God and our neighbor.

Spiritual growth is visible.

This becomes clear when...

...a person sees Christ act in their life.

...a person takes a step to transform their nature to be more like Jesus.

...a person uses the gifts that God has given them to serve others.

...a person becomes a disciple of Christ, and encourages others to do the same.

Our **Vision** is to create a church in which people **feel at home** and, inspired by the Holy Spirit and their love for God, align their lives to the Gospel of Jesus Christ and thus prepare themselves for His return and eternal life. Our Mission is reaching out to all people in order to teach them the Gospel of Jesus Christ and to baptize them with water and the Holy Spirit. Providing soul care and cultivating a warm fellowship in which everyone shall **experience the love of God** and the joy of serving Him and others.
